**Notice of Postponement of Announcement of Financial Results
for the Fiscal Year Ended March 31, 2020**

We would like to express our deepest sympathies and condolences to all those who have died of this new coronavirus (COVID-19) infection, and we also extend our deepest sympathies to all who have contracted the disease and to their related parties.

We have postponed the financial results announcement for the fiscal year ended March 31, 2020, which was scheduled for May 8, 2020.

1. Reason for the Postponement

Due to the spread of the new coronavirus infection, the settlement of the consolidated financial statements and accounting audits have been delayed. For this reason, it will be difficult to finalize the financial statements by the originally scheduled date, and therefore we plan to postpone the financial results announcement.

2. Future Plans

The timing of the announcement of the financial results after the postponement is undecided at this time. We will disclose it as soon as we can confirm the settlement of the accounts.

We sincerely apologize for the great inconvenience and concern that this has caused to our shareholders, investors, and all other stakeholders. We appreciate and thank you for your understanding.
