### Notice of Compliance with the Listing Maintenance Criteria of the Prime Market

Japan System Techniques Co., Ltd. (JAST) submitted a plan for compliance with listing maintenance criteria in the new market segment on November 24, 2021. The company had disclosed the listing maintenance criteria for the Prime Market that it had failed to meet as of the record date of transition (June 30, 2021).

JAST has now received a notice on the status of compliance with the listing maintenance criteria (share distribution standard) from the Tokyo Stock Exchange. It confirms that JAST meets the listing maintenance criteria on the Prime Market as of the determination date (March 31, 2023).

#### 1. JAST's status of compliance with the listing maintenance criteria

	Number of shareholders	Number of tradable shares (units)	Market capitalization of tradable shares (billion yen)	Ratio of tradable shares (%)
Listing maintenance criteria	800	20,000	10.0	35
As of June 30, 2021 (Transition date)	2,556	30,061	4.6	53.5
Compliance status	In compliance	In compliance	Not in compliance	In compliance
As of March 31, 2023 (Determination date)	2,168	65,184	10.9	52.4
Compliance status	In compliance	In compliance	In compliance	In compliance

\*The status of JAST's conformity as of June 30, 2021 is calculated based on the distribution of JAST's share certificates and other securities, and on other information available to the Tokyo Stock Exchange as of the record date.

\*The status of JAST's compliance as of March 31, 2023 is based on the "Status of compliance with the listing maintenance criteria (share distribution standard)" received from the Tokyo Stock Exchange.
