2. Main reasons

To further enhance the return of profits to shareholders, JAST has decided to introduce an interim dividend beginning the current fiscal year. For the fiscal year ending March 31, 2026, taking into account its operating results and profit levels for the current period, JAST has declared an interim dividend of 11 yen per share. As a result, the annual dividend for the current fiscal year, including the interim dividend, is expected to be 35 yen per share. JAST's Articles of Incorporation stipulate that JAST may pay dividends from surplus by a resolution of the Board of Directors.
